MONTE NAP • LEONE

I formati di grandezze differenti, 15x120 e 20x120, e la possibilità di posarli in modo diverso permettono di valorizzare ambienti grandi o anche solo di regalare l'illusione di uno spazio particolarmente ampio.

The different 15x120 and 20x120 formats give the possibility of being laid in various patterns to enhance large rooms, or can even simply be used to create the illusion of a particularly spacious area.
